APPROVAL OF MINUTES

MOTION by Commissioner Albee, seconded by Commissioner Levy to approve the March 4, 2020 minutes as printed.

With a voice vote motion passed 6 to 0.

PUBLIC COMMENT ON AGENDA RELATED ITEMS

None

NEW BUSINESS

Do Not Enter Sign Presentation – Dennis terHorst: DDA design committee member

Mr. terHorst presented a packet which included a resolution and pictures of the current Do Not Enter signs that are posted on the stone pillars on the corner of Maple and River Street. He is seeking support from the HDC on sign changes. A supported resolution from the HDC for sign changes would be presented to the DDA design committee chair and the DDA chair. The goal is to remove the current signs and replace them with more historically designed signs. The sign

cost would be handled by the DDA. The Manistee City Department of Public Safety would be contacted to remove the current signs and put up new signs.

The HDC has no authority on traffic signage.

MOTION by Commissioner Albee, seconded by Commissioner Connor to support passing the resolution as it reads.

With a voice vote the motion passed 6 to 0 to adopt the resolution.

OLD BUSINESS

Permit Form Update

Mr. Szokola stated the project at 354 River Street has been completed

MOTION by Commissioner Connor, seconded by Commissioner Albee to close the 354 River Street permit.

With a voice vote motion passed 6 to 0.

PUBLIC COMMENTS AND COMMUNICATIONS CONCERNING ITEMS NOT ON THE AGENDA

None

CORRESPONDENCE

None

REPORTS

DDA Executive & Economic Development Director

None

Museum Director

Mark Fedder had no report.

Zoning Administrator

Mr. Szokola researched outstanding and open permits. He explained the difference between them. The HDC requested all permits be included on the permit list in order to track their progress and status.

With the inability to receive audio, Ms. Levy left the meeting session.

Mr. Jeff Gordon contacted Mr. Szokola regarding his permits for 347/349/411 River Street. Mr. Szokola requested Mr. Gordon submit a packet by April 28th for the May 6th meeting. Mr.

Gordon did not respond by the deadline. Mr. Gordon made contact after the deadline and stated work has been on hold due to the Coronavirus.

MEMBERS DISCUSSION

Mr. Albee stated the virus has been affecting things for only several months and Mr. Gordon's permits were extended months before this. Mr. Gordon has had time to complete this project and has not complied. These permits have been open for 10 years.

Mr. Trucks stated the HDC is concerned with only the exterior of the building. If the permit expires and the work is not complete the properties will be considered blighted.

The HDC requested Mr. Szokola contact Mr. Gordon to inform him the permits for 347/349/411 River Street will not be extended. There is still a month left on his permits for the exterior work to be completed.

Mr. Otto raised concerns regarding the plywood covering the door/window areas and inquired if this permit expires without the work being completed how the plywood situation could be resolved.

The HDC recommended Mr. Szokola contact the city attorney regarding the HDC's ability to enforce completion of the project or if there is a codified ordinance with some ability to move forward with completing the outside and being able to add this cost to the property tax roll.

ADJOURNMENT

MOTION by Commissioner Connor, seconded by Commissioner Albee to adjourn the meeting. The meeting was adjourned at 4:40 pm.

Application for a Certificate of Appropriateness

Standards		
<p>If the owner of the property is interested in receiving tax credits, APPLICATION MUST BE MADE FIRST TO THE STATE HISTORIC PRESERVATION OFFICE. If original features are found during renovation or demolition, a project must be stopped until an emergency meeting of the Historic District Commission is held to determine if the feature is to be incorporated into the project. If the applicant applied for Tax Credits the State Historic Preservation Office must be notified also.</p>		
<p><input type="checkbox"/> This box must be checked by the applicant indicating that they have read and understood the requirements for tax credits and that a project may be stopped for review if original features are found during the course of the project. If this box is not checked the application will not be processed.</p>		
<p>Properties within the City of Manistee Historic District are subject to the City of Manistee Historic District Ordinance (Chapter 1280 Historic District of the Code of Ordinances). The purpose of the ordinance is to preserve and protect our historic resource. The Historic District Commission is established by the Ordinance, and has the authority to review and approve all work permit applications and plans for exterior property improvements within the Historic District. Regular building maintenance is permitted and encouraged; however, a work permit is required for all alterations, significant repairs, new construction, demolition, moving of buildings, and all other activities affecting the exterior appearance of buildings and properties within these districts. Please consult staff for guidelines and specific details on permissible work.</p>		
Submission of Application		
<p>This application must be received by the City at least 10 days prior to a regularly scheduled monthly Historic District Commission meeting. The meeting is held the first Thursday of the month at 3:00 p.m. in the Council Chambers, City Hall, 70 Maple Street, Manistee, Michigan unless it is a legal holiday. Applicants are strongly encouraged to conduct a preliminary discussion with staff and attend the meeting to explain the proposed work.</p>

Dear Commissioners,

During our last meeting on May 6, 2020 you asked me to consult with the City Attorney to see if we had any recourse to refuse to issue a permit if someone were to apply. This is the City's attorney's opinion on the matter.

"The HDC is bound by the statutory and ordinance powers that are delegated to it and cannot exceed its authority. That being said, the process is for the Historic District Commission to receive a request for a permit from the building inspector after a building permit has been applied for by the property owner. The action of the HDC is on the request for a Certificate of Appropriateness. The review by the HDC as to whether the proposed work is appropriate is based upon the Ordinance, Local Historic Districts Act and the US Secretary of Interior's Standards for Rehabilitation. There is no ability to deny a request, except for those reasons set forth in the Ordinance, Act or federal standards."

– George Saylor, City of Manistee Attorney

We also discussed recourse for permitting projects that never seem reach a conclusion and are perpetually being permitted without work being completed. In this instance the City Attorney felt it best to pursue these properties under the City of Manistee Anti-blight ordinance.

If you have any questions or concerns regarding this memo feel free to reach out to me via phone, email, or mail.

Sincerely,

Mike Szokola

- Mark is checking old expired permits that were never closed out to ensure that the work has been finished. Closing out these expired permits will help clean up the City's BS&A system and make running reports more efficient.
- We had a couple of permits expire earlier in the year and if we are looking to explore the Anti-Blight Ordinance, these properties would have to be included.

The **National Alliance of Preservation Commissions** has made several recent issues of its publication, The Alliance Review, available in full. If you're not a member of NAPC, this is a good opportunity to see some of the information they share through their work: <https://napcommissions.org/alliance-review/>

The **National Center for Preservation Technology and Training** (NCPTT) has developed a Preservation in Practice Brief on COVID-19 and Cultural Resources. Visit the NCPTT website at <https://www.ncptt.nps.gov/blog/cultural-resources-and-covid-19/>.

The **Heritage Emergency National Task Force** (HENTF), a public-private partnership between FEMA and the Smithsonian Cultural Rescue Initiative, has published a COVID-19 Resource Hub, which includes a variety of resources to help entities like museums, historic sites, art organizations, and others to respond to and recover from the pandemic.
